

PUBLIC NOTICE

The Butte County Association of Governments (BCAG) is currently updating its Public Participation Plan (PPP). This plan defines BCAG's public participation process for its transportation planning and programming projects. BCAG is required to prepare a Federal Transportation Improvement program (FTIP) every two years and a long-range Region Transportation Plan/Sustainable Communities Strategy (RTP/SCS) every four years. The purpose of the FTIP is to identify all transportation-related projects that have federal transportation funding or require some type of federal approval whereas the RTP/SCS is a long-range plan. Prior to the update of these documents, BCAG will be attending two Community Health Fair events to provide the public an opportunity to learn about BCAG activities in person. BCAG will also be hosting a zoom workshop on February 16, 2022.
