

Draft - 2025 Federal Transportation Improvement Program Workshop

The Butte County Association of Governments has prepared the 2025 Federal Transportation Improvement Program (FTIP). A public workshop has been scheduled to review and address any questions the public may have or just to learn more about BCAG's planning and programming activities.

An in-person and zoom workshop has been scheduled for Thursday, August 8, 2024, from 5:00 to 6:00 p.m. A power point presentation has been prepared which summarizes the purpose of the FTIP and its relationship to BCAG's long range Regional Transportation Plan / Sustainable Communities Strategy. The draft document is posted online, and a power point presentation will be posted online prior to the workshop at: <http://www.bcag.org/Planning/FTIP/index.html> . This workshop will be recorded and made available online for future reference. The public will be encouraged to ask questions during the Zoom workshop or in person.

The purpose of the FTIP is to identify all transportation projects in the Butte County region that contain federal transportation funding or requires approval from the Federal Highway Administration or the Federal Transit Administration.

The 2025 FTIP covers the next 4 federal fiscal years beginning October 1, 2024. Please visit www.bcag.org for more information or contact Ivan Garcia at igarcia@bcag.org or at 530-809-4603. If you are interested in participating and cannot attend the zoom meeting, please call the BCAG offices to address any questions or comments you may have.
