Subject:

- BCAG's Planning and Programming Responsibilities
- Butte Regional Transit
- \$5 Million Available for the FTA FY 2019 Public Transportation on Indian Reservations Program

Honorable Chairperson Nelson:

The Butte County Association of Governments (BCAG) is the federally designated Metropolitan Planning Organization (MPO) and the state designated Regional Transportation Planning Agency (RTPA) serving Butte County. BCAG is responsible for developing all state and federal transportation plans and programming documents that are necessary to secure and program transportation funds within the region.

BCAG was formed through a joint powers agreement between the County of Butte and the incorporated Cities of Biggs, Gridley, Oroville, Chico and the Town of Paradise. BCAG is governed by a ten-member Board of Directors comprised of the five county Board of Supervisors and one council person from each of the five incorporated cities. I currently serve as the Supervisor for District 1 and as Chair representing BCAG.

BCAG is committed to developing Government-to-Government relationships with the Tribal Governments within the Butte County region. BCAG would like to extend an invitation to your Tribe to attend and participate on our Transportation Advisory Committee (TAC), which typically meets on a monthly basis. The purpose of the TAC is to review and discuss BCAG's transportation planning activities and issues in a multi-jurisdictional planning forum. Representatives from Caltrans, the cities, Town and County participate on the TAC.

BCAG staff has commenced the development of the 2020 Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS) for Butte County.

This is a federally required long-range transportation planning document that is updated every four years. The purpose of this document is to identify Butte County's long-term transportation needs for all travel modes. The RTP/SCS will cover the period between 2020 and 2040. All projects selected for programming into the Regional Transportation Improvement Program (RTIP) and the Federal Transportation Improvement Program (FTIP) are required to be included in the RTP.

BCAG is also responsible for preparing, adopting and submitting a Federal Transportation Improvement Program (FTIP) to Caltrans, the Federal Highway Administration (FHWA), and the Federal Transit Administration (FTA). The FTIP is a programming document that identifies all transportation projects and programs that are funded with federal transportation funds or require some type of approval from the FHWA or FTA in Butte County. This programming document covers a four federal fiscal year cycle and is updated every two years. Projects identified in the FTIP typically include:

- streets and roads
- highways
- transit
- safety
- bridge reconstruction
- active transportation projects (federally funded bike and pedestrian projects)
- other programs that receive federal dollars or require some type of federal approval

As we develop and update BCAG's RTP/SCS and short-range programming documents, **we welcome any input you may have. BCAG would welcome the opportunity for staff to provide your Tribe with a workshop on these activities or any other item concerning BCAG at your convenience.** For your awareness, BCAG owns and operates Butte Regional Transit as well.

All material concerning these items are posted on the Internet at BCAG's website at: <http://www.bcag.org/> as they are developed.

For your information, the Federal Transit Administration (FTA) recently announced \$5 million in FY 2019 Public Transportation on Indian Reservations Program funds. The primary purpose of the competitive program is to support planning, capital, and, in limited circumstances, operating assistance for tribal public transit services. For more information, please visit FTA's website here: <https://www.transit.dot.gov/funding/applying/notices-funding/public-transportation-indian-reservations-program-fy-2019-notice>
