

PUBLIC NOTICE

The Butte County Association of Governments (BCAG) is required to prepare a long-range Region Transportation Plan / Sustainable Communities Strategy (RTP/SCS) every four years. The RTP/SCS identifies the long-range transportation plans for specific funding programs by transportation mode through 2040. In addition, BCAG is preparing a short-range Regional Transportation Improvement Program (RTIP) to identify transportation recommendations for the year 2020 through 2025. Prior to the update of these documents, BCAG is hosting a public workshop to solicit input.
